

New Outdoor Health and Safety Precautions

- 1.) Miss Z will contact you the evening before or the morning of your session and ask you a series of questions, such as "has anyone in your household been sick in the last 2 weeks" or "have you or anyone in your household been around anyone who has been sick in the last 2 weeks". Please be truthful in your answers - you will NOT lose your reservation fee if we have to reschedule.
2. I will be wearing a mask and glasses (if my assistant is present, she will be as well).
3. I will have sanitizer with me.
4. As always all props will be washed and/or disinfected between use.
5. I will be using a long lens so I can keep my distance for the majority of the session. While, I may have to come close to help pose you just right, that close contact will be kept to a minimum.
6. Please note, these precautions are fluid - meaning that additional precautions may be added, as we navigate through this "new normal".
